STBA Affiliation & Members Code

1. The STBA logo can only be used with the express written permission of the STBA.
2. STBA membership and affiliation does not imply endorsement of any service(s), system(s) or product(s) by the STBA and must not be presented as such. In particular, the STBA branding cannot be used to imply certification or achievement of a performance standard on any building product(s) or system(s).
3. Membership or affiliation applies only to the company or similar name registered. This name will be used on STBA materials or the STBA website. (Membership organisations can join the STBA; in this case, STBA benefits apply only to the organisation's staff, not to their members.)
4. For clarity, if membership or affiliation is sought by a subsidiary company, division or similar then the subsidiary entity must have an identity that is distinct from the parent company or companies; membership or affiliation in this case will apply only to the subsidiary entity and cannot be used by the parent company.
5. Fees are paid on an annual basis, and will be accounted in full at time of payment. No arrangements are available for partial membership or repayment of fees, even if the benefits are no longer required or available.
6. Fees become due on the anniversary of first membership or affiliation.

Full details of Terms & Conditions can be downloaded from our website or by request.
