Sustainability of Traditional Buildings The 2018 STBA-SPAB Conference - 7th June, London

We are delighted to announce the 2018 STBA-SPAB conference which will again take place in June at Baxter's Gallery in Clerkenwell, London from 9.30 to 17.00.

Keynote speakers from Ofgem, Each Home Counts and ICOMOS will provide an update on policy and standards.

Delegates will hear about practical examples including the problems at the retrofit in Preston, what is happening in the Private Rented Sector, various projects in Scotland, and how a Whole House Approach is working out at scale in London.

During the day there will be a select group of exhibitors providing information on products and services in the traditional built environment.
