I hereby instruct London Transport Auctions to sell the following items at auction on my behalf and under the terms and conditions outlined below which I have read and which I accept. *(Use continuation sheet below if necessary.)*

LOT NO.	LOT DESCRIPTION	RESERVE (min £30)

TERMS AND CONDITIONS

1. A commission charge of 15.0% of the hammer price will be deducted from the selling price. VAT is not applicable.
2. Reserve prices may be placed by the vendor on items over £30. If the item does not sell, an administration charge of 10% of the reserve or £5, whichever is the greater, will be incurred. *(We always aim to be flexible on pricing to meet individual client requirements.)*
3. Where lots are entered without a reserve, the lot will be sold to the highest bidder.
4. In the event that a lot is withdrawn prior to sale, an administration charge of £25, or 5% of the reserve, whichever is the greater, will be levied.
5. The closing date for entries is six weeks before the auction date. London Transport Auctions ('the Auctioneer') reserves the right to defer items to a later auction where either the maximum number of lots has already been reached or where, in the auctioneer's opinion, earlier inclusion would result in an imbalance of lots on offer.
6. The vendor warrants to the Auctioneer that he/she is the true owner of the property (or has written authorisation from the true owner to sell the items) and has given the Auctioneer full disclosure of the provenance & authenticity of the items entered.
7. The vendor shall collect unsold items by arrangement within 28 days.
8. Unless by prior agreement, any unsold lots not collected within 28 days will incur a storage charge of £1 per day. Lots not collected after 3 months will be sold to defray expenses, the proceeds will go wholly to the Auctioneer. Unsold or withdrawn lots will not be released until all outstanding charges have been settled in full.
9. Any offers for lots after auction are only to be negotiated through the Auctioneer and any sale thereafter to the Auctioneer's customers of items which have been viewed through the Auctioneer's catalogues, viewing days, advertising or internet sites are deemed to be sold by the Auctioneer and full vendor's and buyer's commissions are payable by the vendor.
10. Payment for the proceeds of the sale less all applicable charges will be made to the seller's bank account within 28 working days after the auction date, provided that the Auctioneer has received full payment from the purchaser.
11. In the event of any disputes relating to a lot, the Auctioneer reserves the right to cancel the sale. The vendor will be responsible for collection of the lot.
12. Please note that goods entered into our auctions are so done at your own risk and, while every reasonable effort will be made by the Auctioneer to look after such goods, you accept that the Auctioneer is not liable for any damage or loss to your items while in its possession.
