

Certificate of Competence to be a Radiation Protection Adviser

The Board of RPA 2000 certifies that

Michael O'Mahony

meets the Criteria of Competence specified by the Health and Safety Executive for the purposes of the definition of a Radiation Protection Adviser in the Ionising Radiations Regulations 1999.

*Holding a Certificate from an Assessing Body does not, of itself, make the holder a **suitable** RPA for a particular employer to consult, as required by Regulation 13(1). It is a recognition of competence, sufficient to show that the individual satisfies the general definition of an RPA in Regulation 2.*

Chairman of Board

Assessment Secretary

This certificate is valid for five years from 1 February 2008

Certificate No: 00000663

RPA 2000

This certificate is issued by RPA 2000, an Assessing Body recognised by the HSE,
76 Portland Place, London W1B 1NT
