

# BLACK MAMBA

## Black Mamba Gloves and Accessories

## CUT RESISTANT

- EN388 cut level 5 reduces the risk of injury and related expenses
- Provides workers with the ability to handle sharp parts and knives with confidence in light oil or dry applications
- New coating formulation provides longer wear
- Silicone-free and latex free for worker and product protection

## FOAM NITRILE COATED

### True Foam Nitrile

- Channels oil away from glove surface for better grip in light oil
- Provides excellent grip in dry environments

### Ergonomic form-fitting liner design

- Moulds naturally to the hand maximising comfort and minimising fatigue
- Exceptional comfort and fit increases worker acceptance and safety compliance

## POLYURETHANE COATED

### Polyurethane Palm Coating

- Maximum tactile sensitivity in the finger area for exceptional feel
- Excellent fit and performance to maintain high productivity

### Ultra-cool stretch nylon liner

- Provides bare hand dexterity
- Breathable nylon liner increases worker acceptance and safety compliance

# BLACK MAMBA NITRILE

- Fully textured with Grip Rite Finish – provides precise contact when tactile sensitivity is a must
- Patented Nitrex Polymer - superior strength and tear resistance
- Added Protection - over 6.0 mils in thickness
- 3 times the chemical resistance of latex or vinyl gloves
- Two-ply Fusion Strength - our unique process fuses an added polymer to facilitate donning and comfort

# WHITE MAMBA LATEX

- Ultra thick 8.0 mils powder free latex
- Perform against the harsher chemicals that nitrile gloves can not stand up to
- EZ-Glide donning system

# MAMBA TRAX SHOE COVERS

- Designed with service industry professionals in mind
- Durability to last whilst protecting contractors and their client's flooring
- Ideal for professional contractors working in construction, installation, plumbing, HVAC, pest control and other residential and commercial service industries
- 40 gram spun bound Polypropylene fibre
- Designed to last much longer than conventional plastic shoe covers
- Grip-rite trax provides better footing
- Elastic seams allow for an adjustable fit up to size 14 work boot
